11	JONATHAN M. JAFFE	11	
12	Attorney at Law	12	So I take it that, then, is not your legal
13	3055 Hillegass Avenue	13	name or is that
14	Berkeley, California 94705	14	A That's my married name. O Put your local name is still Sycon. 0.45:00AM
15	(415) 425-1474	15	Q But your legal name is still Susan 9:45:00AM

	Page 3		Page 5

1	A I think about a week after my wedding, 9:45:36AM	1	What did you do to prepare for the 9:47:21AM
2	after I got back from my honeymoon.	2	deposition today?
3	Q And you didn't	3	A I met with my lawyers last night and this
4	You didn't register for Facebook again,	4	morning.
5	you just changed the name on that existing account, 9:45:47AM	5	Q Anything beyond that? 9:47:30AM
6	correct?	6	A No.
7	A Yes.	7	Q Did you review any documents to refresh
8	Q Have you ever been deposed before?	8	your recollection
9	A No.	9	A No.
10	Q Okay. 9:45:55AM	10	Q in preparation? 9:47:41AM
11	So just a couple things about this	11	What's your current age?
12	deposition process, and I'm sure Mr. Arns has	12	A I am 43 years old.
13	probably already talked to you about a little of	13	Q And your birthdate was?
14	this.	14	A August 17th, 1968.
15	But try to wait for me to finish my 9:46:04AM	15	Q And what's your current home address? 9:47:54AM
16	question before you start answering. There are	16	A 6600 Leland Way, Los Angeles, California
17	going to be times where we talk over each other, but	17	90028.
18	we'll both do our best not to.	18	Q And how long have you lived at that
19	It's important, since all of this is being	19	address?
20	transcribed by the court reporter, to try to answer 9:46:18AM	20	A A little over four months. 9:48:06AM
21	vocally, rather than with just a shake of your head,	21	Q And
22	and it's important to try to remember to say "yes"	22	A I mean I'm sorry a little over four
23	or "no," as opposed to "uh-huh" or "huh-uh," which	23	years.
24	is harder for the court reporter to pick up.	24	Q And where did you live before that?
25	You understand that you're under oath and 9:46:35AM	25	A I lived at 853 Larrabee, L-A-R-R-A-B-E-E, 9:48:18AM
	Page 6		Page 8
1	you're sworn to tell the truth just like you were in 9:46:38AM	1	Street in West Hollywood, California, and I lived 9:48:21AM
2	court?	2	there for almost 12 years.
3	A Yes.	3	Q And who is your primary e-mail service
4	Q Also, from time to time your lawyer may	4	provider? What e-mail do you normally use?
5	make objections for the record to some of my 9:46:45AM	5	A My e-mail that I use is 9:48:37AM
6	questions, but unless he specifically instructs you	6	Susan@SusanvonSeggern.com, and I use a private
7	not to answer, then you should go ahead and answer	7	e-mail service provider, which is VisitUsAt.com.
8	my question.	8	Q And do you use Facebook as an e-mail
9	Do you understand that?	9	service, as well?
10	A Yes. 9:46:57AM	10	A I sometimes use the messaging function of 9:48:56AM
11	Q Any reason your deposition should not go	11	Facebook.
12	forward at this time?	12	Q Have you claimed your Facebook.com e-mail
13	A No.	13	address?
14	Q Okay.	14	A I'm not sure.
15	Any reason you wouldn't be able to testify 9:47:03AM	15	Q Did you 9:49:10AM
16	truthfully today?	16	At some point, did you sign up to have
17	A No.	17	like a special user name that shows up in the URL
18	Q Okay.	18	when you go onto your profile page?
19	Are you on any sort of prescription drugs	19	A Yes.
20	or anything that would impair your ability to 9:47:12AM	20	Q And are you aware that then that user name 9:49:21AM
21	testify?	21	also basically gets used as like a Facebook e-mail
22	A No.	22	address, so it might be
23	Q And that's a common question I ask	23	SusanvonSeggern@Facebook.com?
24	everybody, so sometimes it takes people by surprise,	24	A I have seen those Facebook addresses
25	but 9:47:19AM	25	before, but I wasn't aware that that was how you got 9:49:40AM
	Page 7		Page 9

1	Q But do you do any 9:54:37AM	1	at that time? 9:57:15AM
2	Do you have ongoing consulting	2	A It was a large online gambling website and
3	responsibilities or anything like that?	3	then at a later point they also launched a record
4	A No.	4	label and mixed martial arts fighting league and
5	Q After the Kucinich campaign, what did you 9:54:45AM	5	some television shows. 9:57:29AM
6	do next professionally?	6	Q What was your title at Bodog
7	A I was doing freelance consulting for PR.	7	Entertainment?
8	Q And how long did you do that?	8	A I think I was I was the head of PR and
9	A About a year.	9	then towards the end I became the global head of
10	O So what timeframe does that get us to? 9:55:06AM	10	media relations. 9:57:46AM
11	A That would be actually started	11	O And what were the dates of
12	consulting a little before the Kucinich campaign	12	A April 2005 to April 2008.
13	ended, so I started consulting in March of 2004 and	13	Q And just generally speaking, what was
14	I and I was consulting until March of 2005.	14	what were your marching orders there at Bodog? What
15	Q Just going back for one second, what was 9:55:27AM	15	were you supposed to accomplish in your role as the 9:58:08AM
16	your role in the Kucinich campaign?	16	PR person there?
17	A My title was national media coordinator	17	A Getting them covered in newspapers and
18	and I did a lot of things. I handled all	18	magazines and online and television and radio and
19	non-mainstream national media, so everything that	19	both in North America and Europe and Latin America
20	wasn't the New York Times or Nightline kind of fell 9:55:47AM	20	and the Caribbean and Asia. 9:58:25AM
21	in my lap. So it was all any kind of niche	21	Q So essentially, to increase the visibility
22	media, so Entertainment Green, JLBT, what have you.	22	of the company
23	And I also handled all the local media all	23	A Uh-huh.
24	over the country. So whenever Dennis would go to a	24	Q or I guess, put another way, increase
25	city, I would handle the radio and the television 9:56:08AM	25	the visibility of the events or products or services 9:58:36AM
	Page 14		Page 16
	1 490 11		
1	and the newspapers in that city. 9:56:10AM	1	that they sold? 9:58:39AM
2	And I also managed a 50-state volunteer	2	A Uh-huh.
3	media team and I also handled all of California	3	THE REPORTER: Is that "yes"?
4	media and did all of that, Rich Forell and myself.	4	THE WITNESS: Yes.
5	I was busy. 9:56:21AM	5	BY MR. BROWN: 9:58:46AM
6 7	Q I was going to say political campaigns	6	Q She's better at catching that than I am.
8	have a way of having amorphous roles. A It was really a joy to work on that one.	8	A Sorry.
9		9	Q After you left Bodog Entertainment in
10	Q That's interesting. So in the freelance consulting work, do 9:56:33AM	10	A Wedding planner for myself and then 9:58:58AM
11		11	•
12	you recall what sorts of clients you had at that time?	12	Q That can be a full-time job.
			A It really was. And because I had done
13 14	A I had the Artivist Film Festival, which is	13	nothing wedding planning, really, before that. And and then I started I started
15	an activism film festival, and I had some music clients. I can't really remember what else I did. 9:56:46AM	15	consulting again in August of 2008. 9:59:15AM
16	Q So I think you said that that went through	16	Q And were you with a company when you
17	about March 2005; is that correct?	17	started back up doing consulting in August 2008?
18	A Uh-huh.	18	A No. I've just been doing consulting on my
19	Q So what did you do professionally after	19	own since then.
		20	Q And do you have like a doing business as 9:59:33AM
	that?	120	Z Mili uo you nave iine a uoing business as 7.39.33AM
20	that? 9:56:58AM	21	tyne name or is it you just go by your own?
20 21	A I became the head of PR for Bodog	21	type name or is it you just go by your own?
20 21 22	A I became the head of PR for Bodog Entertainment.	22	A Yeah, I just use my married name, Susan
20 21 22 23	A I became the head of PR for Bodog Entertainment. Q How do you spell that?	22 23	A Yeah, I just use my married name, Susan von Seggern.
20 21	A I became the head of PR for Bodog Entertainment.	22	A Yeah, I just use my married name, Susan

1	point? 9:59:59AM	1	that your clients are trying to accomplish? 10:03:05AM
2	A Both.	2	A That is correct.
3	Q And can you give me kind of an overview of	3	Q And if it's
4	the type of work that you have been doing since	4	For instance, if you have got a client
5	August 2008? 10:00:11AM	5	that's selling a product, ultimately the goal is 10:03:12AM
6	A Same PR stuff, getting my clients covered	6	maybe it's obvious, but the goal is to ultimately
7	in the media, and and a a fair amount of	7	try to get people to buy the product, right?
8	social media marketing/PR, too.	8	A Yes.
9	Q And can you give me some more detail on	9	Q And if it's a service that your client is
10	what kind of social media marketing you do? 10:00:36AM	10	offering, the ultimate goal is to try to get people 10:03:25AM
11	A A fair amount of Facebook. I, you know,	11	to use the service?
12	will do invites if it's an event client or sometimes	12	A Yes.
13	creating pages.	13	Q And if it's an event that they are your
14	I manage peoples' Twitter accounts.	14	client is holding, the ultimate goal is to try to
15	Sometimes I'll set up a LinkedIn page cover page. 10:01:00AM	15	get people to attend the event? 10:03:39AM
16	Q So let me just ask a few follow-up	16	A Yes.
17	questions. I think I understand, but just to make	17	Q And generally, aside from those ultimate
18	sure it's clear.	18	goals, you have the goal, generally, of trying to
19	So you will have a client that will retain	19	create buzz about the clients that you work with,
20	you for your PR services, and one of the things you 10:01:21AM	20	right? 10:03:51AM
21	might do on Facebook would be to help them set up a	21	A Yes.
22	Facebook page, in other words?	22	Q And then since August 2008, have you been
23	A Yes.	23	doing any other kind of work or just your sort of
24	Q And then another way you might use	24	own consulting business?
25	Facebook to do your work would be if your client is 10:01:33AM	25	A I develop television shows. 10:04:10AM
	Page 18		Page 20
1	holding an event of some sort, you would use the 10:01:39AM	1	Q What percentage of your time, let's just 10:04:15AM
2	invitation feature of Facebook in order to try to	2	say these days, is devoted to that, as opposed to
3	get people to come to the event?	3	the PR work?
4	A Yes.	4	A 10 percent.
5	Q On Facebook, are there any other kind of 10:01:52AM	5	Q Anything else beyond that? 10:04:30AM
6	mechanisms that you use on behalf of your clients?	6	A I handle the business management for my
7	A I work with a lot of festivals, so film	7	husband.
8	festivals and music festivals, and so sometimes like	8	Q What does your husband do?
9	I'll I'll go and "Like" all the artist	9	A He's a musician and a and a music
10	pages for all the artists that are in that festival 10:02:12AM	10	technology consultant. 10:04:49AM
11	and then I'll post information about the festival on	11	Q About what percentage of your time would
12	those on the walls of those pages so that other	12	you estimate you spend doing that?
13	fans of those artists can know that they are playing	13	A 5 percent.
14	at that festival or movie, same thing.	14	Q And your TV show production, are there any
15	Q Okay. 10:02:28AM	15	shows that I've heard of? 10:05:15AM
16	Anything else that you can think of beyond	16	A My Cat From Hell is starting its second
17	those? We've talked about pages and we've talked	17	season on Animal Planet January 7th.
18	about liking bands, for instance, posting on those	18	Q Speaking of buzz, that's gotten a lot of
19	walls. Anything else?	19	buzz recently.
20	A Sometimes I'll post things on my wall or I 10:02:43AM	20	Anything else? 10:05:26AM
21	might post things on my friends' walls if it's	21	A I have a few other things in development,
22		22	
	appropriate. I try not to do that, really. O And really the overerching goal in all of	23	but nothing that has gotten green-lit yet.
23	Q And really, the overarching goal in all of		Q Excellent.
24	those activities on Facebook is essentially to,	24	Are you generally familiar with the
25	again, increase the visibility of whatever it is 10:03:01AM	25	complaint that was filed on your behalf against 10:05:40AM
	Page 19		Page 21

1	Facebook? 10:05:43AM	1	if that's just people in California, because I'm not 10:08:11AM
2	A Yes.	2	sure about the
3	O Okay.	3	MR. ARNS: It's for your knowledge,
4	What is your understanding of the basis	4	it's everybody in the United States.
5	for the complaint? 10:05:49AM	5	THE WITNESS: It's everybody in the United 10:08:19AM

7	legal conclusion. The complaint was prepared by	7	BY MR. BROWN:
8	lawyers who set forth legal theories of liability,	8	_
9	and it wouldn't be expected that you would	9	Q And again, when I ask this question, I
10	understand those theories at all. She's not a 10:06:04AM	10	don't want you to reveal communications that you had with your lawyers, so just with that premise. 10:08:29AM
11		11	So what was the extent of your involvement
12	lawyer.	12	·
	Go ahead. If you know, you can say so.		in developing the complaint?
13	If you don't know, say that, please.	13	MR. ARNS: Okay. Object; vague and
14	THE WITNESS: I mean, my general	14	ambiguous. "Developing the complaint"? That phrase
15	understanding is that 10:06:18AM	15	is vague and ambiguous. She had nothing to do with 10:08:46AM
16	MR. ARNS: Also I'm sorry for	16	that whatsoever.
17	interrupting I'm just going to object this also	17	THE WITNESS: Yeah, I had nothing to do
18	would invade the attorney/client privilege, as the	18	with that.
19	communication that we have given her has given her	19	BY MR. BROWN:
20	understanding what this case is about. 10:06:33AM	20	Q What involvement did you have, if any, in 10:08:55AM
21	If you want to answer the question with	21	planning for the ultimate preparation of the
22	just a general understanding, that would be fine, if	22	complaint?
23	you can do that.	23	MR. ARNS: Object; vague and ambiguous,
24	THE WITNESS: Yeah, you know what, I think	24	unintelligible.
25	most of my understanding comes from my discussions 10:06:43AM	25	Do you understand that? 10:09:10AM
	Page 22		Page 24
1	with my lawyer, so I think that I can I pass? 10:06:45AM	1	THE WITNESS: Yeah, no. 10:09:11AM
2	Should I pass? How does that work?	2	BY MR. BROWN:
3	BY MR. BROWN:	3	Q Well, let me ask you this: Do you know
4	Q Let me just try to ask it in a different	4	what legal claims you brought against Facebook?
5	way. What I'm definitely not asking you to do is to 10:06:54AM	5	MR. ARNS: Okay. Object; calls for a 10:09:23AM
6	convey, either directly or indirectly,	6	legal conclusion, invades the attorney/client

8	But putting aside legal theories for a	8	Do you understand any of those legal
9	minute, what's your understanding of the factual	9	claims?
10	basis for the complaint? 10:07:11AM	10	MR. BROWN: Well, wait a minute. I just 10:09:31AM
11	A That Facebook uses my name and likeness in	11	want to make it clear. So I'm not asking for her to
12	advertising without my knowledge or permission.	12	be a lawyer and give a treatise on the legal
13	Q And you understand that as a named	13	theories. I'm also not asking her what
14	Plaintiff in a class action case like this one, that	14	communications she had with you about I'm just
15	you're essentially representing a class or a group 10:07:35AM	15	asking does she know what the legal claims are. 10:09:47AM
16	of people, correct?	16	MR. ARNS: Yes. And let me just say this:
17	A Yes.	17	Any of that information would obviously have been
18	Q And what is your understanding of the	18	based on a discussion with her attorneys, so I
19	scope of that group that you're representing?	19	think object; invade the invades the

	•	22	MR. BROWN: So you're going to instruct
22	a sponsored story. And I'm not sure		her not to answer even as to her knowledge of what
23	MR. ARNS: You answered it.	23	causes of action are alleged in the complaint?
24	THE WITNESS: Yeah. I'm I'm not I'm	24	MR. ARNS: If you have any separate

17	A Very rarely. I only look at my news feed	17	used to show up or maybe it still shows up a
